

Inc. 5000

ONE OF AMERICA'S **FASTEST-GROWING** PRIVATE COMPANIES

Inc. Magazine Unveils 35th Annual List of America's Fastest-Growing Private Companies--the Inc. 5000

NEW YORK, August 17, 2016 - Inc. magazine today ranked Page-Per-Page NO. 3,744 on its 35th annual Inc. 5000, the most prestigious ranking of the nation's fastest-growing private companies. The list represents a unique look at the most successful companies within the American economy's most dynamic segment-- its independent small businesses. Companies such as Microsoft, Dell, Domino's Pizza, Pandora, Timberland, LinkedIn, Yelp, Zillow, and many other well-known names gained their first national exposure as honorees of the Inc. 5000.

Page-Per-Page specializes in HOA communication to homeowners, and commercial printing services. With a 10-year, on-time and accuracy rate of 99%, customers are switching to Page-Per-Page at a record pace.

"Babe Ruth once famously said, 'You just can't beat the man who won't give up.' Well, our company was down and out in 2009. To now be counted as one of the fastest growing companies in America by Inc. magazine is an honor we couldn't have imagined. Every person on our staff back then is still on our staff. I credit them and their perseverance for where we are today." - Phil Hoffman, President of Page-Per-Page.

The Inc. 5000's aggregate revenue is \$200 billion, and the companies on the list collectively generated 640,000 jobs over the past three years, or about 8% of all jobs created in the entire economy during that period.

"The Inc. 5000 list stands out where it really counts," says Inc. President and Editor-In-Chief Eric Schurenberg. "It honors real achievement by a founder or a team of them. No one makes the Inc. 5000 without building something great - usually from scratch. That's one of the hardest things to do in business, as every company founder knows. But without it, free enterprise fails."
